RE: SERVICE ANIMAL (DOG), ALVIN

To Whom It May Concern:

This letter is in regard to service animal (dog), named Alvin, who is very well-behaved. Alvin accompanied my patient, Mr. Michael Miller, to his dental appointment, dated December 11, 2020.

Alvin was very proficient in complying with all of Mr. Miller's commands. Alvin stayed in a seated position throughout the entire appointment, and he did not disturb, interrupt, or distract any patients or staff. Alvin would be welcome back to my office should Mr. Miller need his services.

Do not hesitate to contact me directly should you have any further questions: (206) 335-4218.

Sincerely,

RE: Alvin the Service Dog

To Whom It May Concern:

My name is Dr. William Stetson and I am an orthopedic surgeon in Burbank, California. Mr. Michael Miller has been a patient of mine for over a year now and on more than one occasion, he brought his service dog, Alvin, into my office. Alvin was a warm friendly dog and always well-behaved. Being a dog lover myself, I have petted Alvin and even scratched his belly. Alvin was always very well behaved in my office. We had no issues with him whatsoever. I told Mr. Miller that Alvin was always welcome in our office as a service dog, as there were absolutely no behavioral issues whatsoever.

I hope this letter is helpful.

Sincerely,
